CHAPTER 01 · WHO WE ARE

About Us

Established in 2015 in Amman, Jordan, as a professional firm providing a comprehensive range of audit, assurance, accounting, taxation, and business advisory services. Since our establishment, we have been committed to delivering high-quality professional services built on integrity, independence, technical expertise, and a thorough understanding of our clients' business needs. Our team of qualified and experienced professionals serves businesses and organizations across various industries, providing practical, tailored solutions that enhance financial transparency, strengthen regulatory compliance, improve operational efficiency, and support sustainable growth.

Founded since 2015

10+ years of auditing, tax advisory and financial consulting

500+ corporate, wealthy individuals & NGO clientele

Based in Jordan, serving the MENA region

WHO WE ARE

Vision & Mission

Our Vision

To be recognized as a premier professional services firm and a benchmark for excellence in Jordan and across the region, distinguished by our technical expertise, unwavering commitment to professional integrity, and innovative solutions that inspire confidence, empower businesses, and contribute to sustainable economic growth.

PROFESSIONAL EXCELLENCE · TRUSTED LEADERSHIP

Our Mission

To deliver exceptional audit, tax, accounting, and advisory services through professional excellence, integrity, and a client-focused approach. We are committed to building lasting partnerships, providing practical and innovative solutions, and empowering our clients to achieve financial transparency, operational efficiency, and sustainable business growth.

PROFESSIONAL INTEGRITY · CLIENT SUCCESS

Our *Core Values*

Our core values define our identity, guide our actions, and shape the way we serve our clients. Rooted in integrity, independence, and professional excellence, these principles reflect our commitment to building trusted relationships, delivering exceptional quality, and creating lasting value.

Integrity

We uphold the highest ethical standards in everything we do, ensuring honesty, transparency, and accountability in our professional conduct and client relationships.

Independence

We maintain objectivity and professional judgment, free from undue influence, to deliver impartial assessments and reliable assurance that strengthen stakeholder confidence.

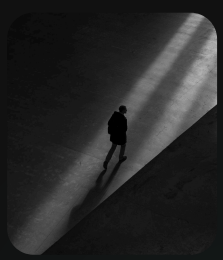

Professional Excellence

We are committed to delivering exceptional quality through technical expertise, continuous professional development, and adherence to internationally recognized standards and best practices.

Client Commitment

We place our clients at the heart of our services, building lasting relationships through responsiveness, personalized attention, and practical solutions tailored to their business needs.

Confidentiality

We safeguard our clients' sensitive information with the utmost care and discretion, maintaining strict professional confidentiality and protecting the trust placed in us.

Innovation

We embrace emerging technologies, modern methodologies, and continuous improvement to deliver efficient, forward-thinking solutions that respond to our clients' evolving needs.

Why *Choose Us*

We combine professional expertise, industry knowledge, and a client-focused approach to deliver reliable, practical, and value-driven solutions. Our commitment to quality, independence, and continuous improvement enables us to build lasting relationships and support our clients in achieving their business objectives.

01

Professional Expertise

A team of qualified professionals with extensive experience in auditing, accounting, taxation, and financial advisory services.

02

Quality & Independence

A strong commitment to professional standards, ethical practices, objectivity, and consistent service quality.

03

Diverse Industry Experience

Practical knowledge across various industries, enabling us to understand sector-specific challenges and business requirements.

04

Client-Centric Approach

Personalized attention, responsive communication, and tailored solutions aligned with each client's needs and objectives.

05

Technology & Innovation

Integrating modern technologies, digital tools, and AI-driven solutions to enhance efficiency, accuracy, and service delivery.

06

Beyond Compliance

Delivering practical insights and recommendations that help clients strengthen financial management, improve operations, and support sustainable growth.

Our Services

Nine integrated practices under one roof, led by internationally certified professionals, supporting your business from formation to growth and transformation.

SERVICE 01 / 09

Audit & Assurance Services

Independent Assurance. Trusted Expertise. Greater Confidence.

We provide independent audit and assurance services designed to enhance the credibility, transparency, and reliability of financial information. Our risk-based audit approach combines technical expertise, professional skepticism, and a thorough understanding of our clients' businesses to deliver high-quality assurance in accordance with International Standards on Auditing (ISA) and applicable financial reporting frameworks.

We go beyond regulatory compliance by providing valuable insights into financial reporting practices, internal controls, and business risks, helping organizations strengthen stakeholder confidence and make informed business decisions.

Our Specialized Audit & Assurance Services

08 SPECIALISED SERVICES

- ✓ Statutory Financial Statement Audits
- ✓ Agreed-Upon Procedures (AUP)
- ✓ IFRS Compliance Reviews
- ✓ Grant and Donor-Funded Project Audits
- ✓ Financial Statement Reviews
- ✓ Special-Purpose Audits
- ✓ Group and Consolidated Financial Statement Audits
- ✓ Other Assurance Engagements

SERVICE 02 / 09

Accounting & Bookkeeping Services

Accurate Financial Records. Reliable Reporting. Better Business Decisions.

We provide comprehensive accounting and bookkeeping solutions designed to help businesses maintain accurate financial records, ensure compliance with applicable accounting standards, and achieve greater financial transparency. Our services combine professional expertise, modern accounting practices, and a thorough understanding of our clients' business operations to deliver reliable and timely financial information.

We go beyond traditional bookkeeping by providing valuable financial insights, strengthening accounting processes, and supporting effective financial management. Whether through fully outsourced accounting functions or specialized support to in-house finance teams, our tailored solutions enable businesses to streamline operations, improve financial reporting, and make informed decisions that support sustainable growth.

Our Specialized Accounting & Bookkeeping Services

12 SPECIALISED SERVICES

- ✓ Bookkeeping and General Ledger Maintenance
- ✓ Monthly and Periodic Financial Reporting
- ✓ Bank and General Ledger Reconciliations
- ✓ Accounting Supervision and Review
