01

Our Vision

To be recognized as a premier professional services firm and a benchmark for excellence in Jordan and across the region, distinguished by our technical expertise, unwavering commitment to professional integrity, and innovative solutions that inspire confidence, empower businesses, and contribute to sustainable economic growth.

PROFESSIONAL EXCELLENCE · TRUSTED LEADERSHIP

02

Our Mission

To deliver exceptional audit, tax, accounting, and advisory services through professional excellence, integrity, and a client-focused approach. We are committed to building lasting partnerships, providing practical and innovative solutions, and empowering our clients to achieve financial transparency, operational efficiency, and sustainable business growth.

PROFESSIONAL INTEGRITY · CLIENT SUCCESS

THE PRINCIPLES THAT DEFINE US

Our *Core Values*

Our core values define our identity, guide our actions, and shape the way we serve our clients. Rooted in integrity, independence, and professional excellence, these principles reflect our commitment to building trusted relationships, delivering exceptional quality, and creating lasting value.

01

Integrity

We uphold the highest ethical standards in everything we do, ensuring honesty, transparency, and accountability in our professional conduct and client relationships.

02

Independence

We maintain objectivity and professional judgment, free from undue influence, to deliver impartial assessments and reliable assurance that strengthen stakeholder confidence.

03

Professional Excellence

We are committed to delivering exceptional quality through technical expertise, continuous professional development, and adherence to internationally recognized standards and best practices.

04

Client Commitment

We place our clients at the heart of our services, building lasting relationships through responsiveness, personalized attention, and practical solutions tailored to their business needs.

05

Confidentiality

We safeguard our clients' sensitive information with the utmost care and discretion, maintaining strict professional confidentiality and protecting the trust placed in us.

06

Innovation

We embrace emerging technologies, modern methodologies, and continuous improvement to deliver efficient, forward-thinking solutions that respond to our clients' evolving needs.

Why *Choose Us*

We combine professional expertise, industry knowledge, and a client-focused approach to deliver reliable, practical, and value-driven solutions. Our commitment to quality, independence, and continuous improvement enables us to build lasting relationships and support our clients in achieving their business objectives.

WHAT SETS US APART

01
Professional Expertise
A team of qualified professionals with extensive experience in auditing, accounting, taxation, and financial advisory services.

02
Quality & Independence
A strong commitment to professional standards, ethical practices, objectivity, and consistent service quality.

03
Diverse Industry Experience
Practical knowledge across various industries, enabling us to understand sector-specific challenges and business requirements.

04
Client-Centric Approach
Personalized attention, responsive communication, and tailored solutions aligned with each client's needs and objectives.

05
Technology & Innovation
Integrating modern technologies, digital tools, and AI-driven solutions to enhance efficiency, accuracy, and service delivery.

06
Beyond Compliance
Delivering practical insights and recommendations that help clients strengthen financial management, improve operations, and support sustainable growth.

01

OUR SERVICES

Audit & Assurance Services

Independent Assurance. Trusted Expertise. Greater Confidence.

SERVICE OVERVIEW

At Consolidated for Auditing & Tax Services, we provide independent audit and assurance services designed to enhance the credibility, transparency, and reliability of financial information. Our risk-based audit approach combines technical expertise, professional skepticism, and a thorough understanding of our clients' businesses to deliver high-quality assurance in accordance with International Standards on Auditing (ISA) and applicable financial reporting frameworks.

We go beyond regulatory compliance by providing valuable insights into financial reporting practices, internal controls, and business risks, helping organizations strengthen stakeholder confidence and make informed business decisions.

OUR SPECIALIZED AUDIT & ASSURANCE SERVICES

01 Statutory Financial Statement Audits

02 Financial Statement Reviews

03 Agreed-Upon Procedures (AUP)

04 Special-Purpose Audits

05 IFRS Compliance Reviews

06 Group and Consolidated Financial Statement Audits

07 Grant and Donor-Funded Project Audits

08 Other Assurance Engagements

WHY CHOOSE CONSOLIDATED?

Our commitment to independence, professional integrity, and technical excellence enables us to deliver reliable audit and assurance services tailored to each client's industry, size, and operating environment. We emphasize clear communication, efficient engagement execution, and practical insights while maintaining the highest standards of audit quality.

02

OUR SERVICES

Accounting & Bookkeeping Services

Accurate Financial Records. Reliable Reporting. Better Business Decisions.

SERVICE OVERVIEW

At Consolidated for Auditing & Tax Services, we provide comprehensive accounting and bookkeeping solutions designed to help businesses maintain accurate financial records, ensure compliance with applicable accounting standards, and achieve greater financial transparency. Our services combine professional expertise, modern accounting practices, and a thorough understanding of our clients' business operations to deliver reliable and timely financial information.

We go beyond traditional bookkeeping by providing valuable financial insights, strengthening accounting processes, and supporting effective financial management. Whether through fully outsourced accounting functions or specialized support to in-house finance teams, our tailored solutions enable businesses to streamline operations, improve financial reporting, and make informed decisions that support sustainable growth.

OUR SPECIALIZED ACCOUNTING & BOOKKEEPING SERVICES

01 Bookkeeping and General Ledger Maintenance

02 Preparation of Annual and Interim Financial Statements

03 Monthly and Periodic Financial Reporting

04 Accounts Payable and Receivable Management

05 Bank and General Ledger Reconciliations

06 Fixed Asset Accounting and Management

07 Accounting Supervision and Review

08 Accounting Systems Setup and Chart of Accounts Development

09 Consolidated Financial Statement Preparation

10 Budgeting and Financial Forecasting

11 Payroll Accounting and Processing

12 Accounting Records Reconstruction and Cleanup

WHY CHOOSE CONSOLIDATED?

Our team combines technical accounting expertise, practical industry knowledge, and a commitment to accuracy and confidentiality to deliver dependable accounting solutions tailored to each client's needs. We focus on maintaining reliable financial records, improving reporting efficiency, and providing timely financial information that supports effective business management. Through our flexible and client-focused approach, we help organizations reduce administrative burdens, strengthen financial controls, and concentrate on their core business activities.

03

OUR SERVICES

Tax Advisory & Compliance Services

Strategic Tax Solutions. Regulatory Compliance. Greater Financial Confidence.

SERVICE OVERVIEW

At Consolidated for Auditing & Tax Services, we provide comprehensive tax advisory and compliance solutions designed to help businesses navigate complex tax regulations, manage tax risks, and meet their statutory obligations with confidence. Our approach combines technical tax expertise, in-depth knowledge of local tax legislation, and a thorough understanding of our clients' business activities to deliver practical and effective tax solutions.

We go beyond traditional tax compliance by providing proactive tax planning, identifying potential tax exposures, and supporting businesses in optimizing their tax positions within applicable legal and regulatory frameworks. Whether assisting with routine tax filings, managing tax assessments and disputes, or advising on complex domestic and cross-border transactions, our tailored services help clients maintain compliance, improve tax efficiency, and make informed financial decisions.

OUR SPECIALIZED TAX ADVISORY & COMPLIANCE SERVICES

01 Corporate Income Tax Compliance and Return Preparation

02 General Sales Tax Compliance and Return Preparation

03 Tax Planning and Advisory

04 Tax Assessments, Objections, and Appeals

05 Tax Audit and Examination Support

06 Withholding Tax Advisory and Compliance

07 International Tax Advisory and Double Taxation Treaties

08 Transfer Pricing Advisory and Documentation

09 Tax Due Diligence

10 Tax Registration and Deregistration

11 Tax Risk Assessments and Compliance Reviews

12 Tax Advisory on Corporate Restructuring and Transactions

13 Employee and Individual Income Tax Advisory

14 Tax Refund Claims and Follow-Up

WHY CHOOSE CONSOLIDATED?

Our tax professionals combine technical expertise, practical experience, and a strong understanding of Jordanian tax laws and regulatory requirements to deliver reliable and commercially focused tax solutions. We emphasize proactive planning, timely compliance, and effective communication with tax authorities to help clients minimize tax risks and manage their obligations efficiently. Through our personalized approach and commitment to professional excellence, we support businesses in navigating evolving tax regulations, protecting their financial interests, and achieving sustainable growth.

04

OUR SERVICES

Internal Audit & Risk Advisory Services

Strengthening Internal Controls. Managing Risks. Enhancing Business Performance.

SERVICE OVERVIEW

At Consolidated for Auditing & Tax Services, we provide comprehensive internal audit and risk advisory solutions designed to help organizations strengthen their internal control environments, enhance corporate governance, and effectively identify and manage business risks. Our risk-based approach combines professional expertise, internationally recognized internal auditing practices, and a thorough understanding of our clients' operations to deliver independent, objective, and value-driven advisory services.

We go beyond traditional internal auditing by providing practical insights, identifying opportunities for operational improvement, and supporting organizations in establishing effective risk management and governance frameworks. Whether through fully outsourced internal audit functions, co-sourced engagements, or specialized risk and internal control assessments, our tailored solutions help businesses safeguard their assets, improve operational efficiency, strengthen regulatory compliance, and achieve their strategic objectives.

OUR SPECIALIZED INTERNAL AUDIT & RISK ADVISORY SERVICES

01 Outsourced Internal Audit Services
02 Co-Sourced Internal Audit Services
03 Risk-Based Internal Audit Planning
04 Internal Control Reviews and Assessments
05 Enterprise Risk Management (ERM)
06 Corporate Governance Reviews and Advisory
07 Operational and Process Audits
08 Regulatory and Compliance Audits
09 Fraud Risk Assessments and Prevention
10 Financial and Operational Policies and Procedures Development
11 Business Process Reviews and Improvement
12 Internal Audit Function Establishment and Development
13 Internal Audit Quality Assessments
14 Risk and Control Self-Assessments (RCSA)
15 Internal Audit Findings Follow-Up and Remediation Support

WHY CHOOSE CONSOLIDATED?

Our internal audit and risk advisory professionals combine technical expertise, practical industry experience, and a strong understanding of governance, risk management, and internal control frameworks to deliver solutions tailored to each organization's needs. We emphasize independence, objectivity, and a risk-focused methodology to identify control weaknesses, assess emerging risks, and provide actionable recommendations that create measurable value. Through our collaborative approach and commitment to professional excellence, we help organizations strengthen accountability, enhance operational resilience, and establish effective governance and risk management practices that support long-term business success.

05

OUR SERVICES

Financial Advisory Services

Strategic Financial Insights. Informed Decisions. Sustainable Business Growth.

SERVICE OVERVIEW

At Consolidated for Auditing & Tax Services, we provide comprehensive financial advisory solutions designed to help businesses navigate complex financial challenges, evaluate investment opportunities, and achieve their strategic and financial objectives. Our approach combines technical financial expertise, analytical capabilities, and a thorough understanding of our clients' industries and business environments to deliver practical, insightful, and results-oriented financial advice.

We go beyond traditional financial consulting by providing strategic insights that support informed decision-making, enhance financial performance, and create long-term business value. Whether assisting with mergers and acquisitions, business valuations, financial due diligence, corporate restructuring, or investment planning, our tailored advisory solutions help organizations manage financial risks, optimize resources, and capitalize on opportunities for sustainable growth.

OUR SPECIALIZED FINANCIAL ADVISORY SERVICES

01 Financial Due Diligence

02 Business and Equity Valuation

03 Mergers and Acquisitions (M&A) Advisory

04 Financial Modeling and Forecasting

05 Financial Feasibility Studies

06 Business Planning and Financial Strategy

07 Financial Restructuring and Turnaround Advisory

08 Working Capital Management and Optimization

09 Cash Flow Planning and Liquidity Management

10 Investment Appraisal and Financial Analysis

11 Budgeting and Financial Performance Management

12 Capital Raising and Financing Advisory

13 Financial Risk Assessment and Management

14 Transaction Support and Deal Advisory

15 Financial Reporting and Performance Improvement Advisory

16 Initial Public Offering (IPO) Readiness and Financial Advisory

WHY CHOOSE CONSOLIDATED?

Our financial advisory professionals combine technical expertise, commercial insight, and practical industry experience to deliver tailored solutions that address each client's unique financial challenges and strategic priorities. We emphasize analytical rigor, professional integrity, and a results-oriented approach to help businesses evaluate opportunities, manage financial risks, and make confident investment and financing decisions. Through our commitment to quality, confidentiality, and long-term client relationships, we support organizations in strengthening financial performance, maximizing business value, and achieving sustainable growth.

06

OUR SERVICES

Corporate Advisory Services

Strategic Business Solutions. Stronger Corporate Structures. Sustainable Growth.

SERVICE OVERVIEW

At Consolidated for Auditing & Tax Services, we provide comprehensive corporate advisory solutions designed to support businesses throughout their lifecycle, from establishment and organizational development to corporate restructuring and strategic expansion. Our approach combines professional expertise, commercial insight, and a thorough understanding of the regulatory and business environment to help organizations establish effective corporate structures, strengthen governance practices, and achieve their long-term strategic objectives.

We go beyond traditional corporate consulting by delivering practical, tailored solutions that enhance organizational efficiency, support regulatory compliance, and create sustainable business value. Whether assisting with company formation, corporate restructuring, governance frameworks, business expansion, or organizational development, our advisory services help clients navigate complex business challenges, improve operational effectiveness, and pursue growth opportunities with confidence.

OUR SPECIALIZED CORPORATE ADVISORY SERVICES

01 Company Formation and Business Incorporation

02 Corporate Structuring and Reorganization

03 Corporate Governance Advisory

04 Business Expansion and Market Entry Advisory

05 Corporate Compliance and Regulatory Advisory

06 Organizational Structure Design and Development

07 Corporate Policies and Procedures Development

08 Business Process Improvement and Optimization

09 Corporate Restructuring and Business Transformation

10 Holding Company and Group Structure Advisory

11 Shareholding and Ownership Structure Advisory

12 Corporate Secretarial and Administrative Support

13 Business Licensing and Registration Support

14 Strategic Business Planning and Development

15 Corporate Performance and Operational Efficiency Reviews

16 Business Succession and Continuity Planning

WHY CHOOSE CONSOLIDATED?

Our corporate advisory professionals combine technical expertise, practical business experience, and a strong understanding of corporate governance and regulatory requirements to deliver solutions tailored to each client's organizational needs and strategic priorities. We emphasize professionalism, commercial practicality, and a client-focused approach to help businesses establish efficient corporate structures, strengthen governance, and navigate organizational and regulatory challenges. Through our commitment to quality, confidentiality, and long-term partnerships, we support organizations in enhancing operational effectiveness, managing corporate risks, and building a strong foundation for sustainable growth.

07

OUR SERVICES

Outsourcing & Back-Office Services

Your Trusted Outsourcing Partner. Professional Expertise. Greater Operational Efficiency.

SERVICE OVERVIEW

At Consolidated for Auditing & Tax Services, we provide comprehensive outsourcing and back-office solutions designed to help businesses, accounting practices, and audit firms optimize their operations, reduce administrative costs, and access qualified professional resources. Our flexible service model combines technical expertise, experienced accounting and auditing professionals, and efficient working methodologies to deliver reliable, cost-effective, and high-quality support tailored to each client's operational requirements.

We go beyond traditional outsourcing by acting as an extension of our clients' teams, providing dedicated professional resources and specialized technical support while maintaining strict confidentiality, quality standards, and effective communication. Whether supporting international audit and accounting firms with audit working papers and financial reporting, managing outsourced accounting functions, or providing dedicated finance professionals, our solutions enable clients to enhance productivity, manage workloads efficiently, and focus on their core business activities and strategic priorities.

OUR SPECIALIZED OUTSOURCING & BACK-OFFICE SERVICES

01 Outsourced Accounting and Bookkeeping Services

02 Audit Working Paper and Audit File Preparation

03 Remote Audit Engagement Support

04 Financial Statement Preparation and Reporting

05 Dedicated Accounting and Audit Teams

06 Outsourced Finance and Accounting Functions

07 Payroll Processing and Administration

08 Accounts Payable and Receivable Outsourcing

09 Bank Reconciliations and General Ledger Maintenance

10 Financial Reporting and Management Accounts

11 Audit Documentation and Quality Control Support

12 Financial Statement Consolidation Support

13 Temporary and Project-Based Professional Staffing

14 Accounting Records Reconstruction and Cleanup

15 Remote Back-Office Support for International Audit and Accounting Firms

16 Finance Department Support and Operational Assistance

WHY CHOOSE CONSOLIDATED?

Our outsourcing and back-office professionals combine strong technical accounting and auditing expertise, practical industry experience, and a commitment to confidentiality and service quality to deliver dependable solutions tailored to each client's requirements. We understand the importance of accuracy, timely delivery, and compliance with applicable professional standards, particularly when supporting audit and accounting firms operating across international markets.

Through our flexible engagement models, dedicated professional teams, and cost-efficient service delivery, we help clients manage fluctuating workloads, reduce operational expenses, maintain consistent quality, and improve overall productivity. Our commitment to professionalism, responsiveness, and long-term partnerships makes Consolidated a reliable extension of our clients' operations, allowing them to focus on business development, client relationships, and sustainable growth.

08

OUR SERVICES

Training & Professional Development Services

Empowering Professionals. Advancing Knowledge. Building Future Capabilities.

SERVICE OVERVIEW

At Consolidated for Auditing & Tax Services, we provide comprehensive training and professional development programs designed to enhance technical knowledge, strengthen professional competencies, and support continuous learning in accounting, auditing, taxation, financial management, and business advisory. Our training approach combines extensive practical experience, technical expertise, and internationally recognized professional standards to deliver engaging, relevant, and application-oriented learning experiences tailored to the evolving needs of professionals and organizations.

We go beyond traditional classroom training by emphasizing practical applications, real-world business scenarios, and hands-on learning that enables participants to translate theoretical knowledge into professional practice. Whether through customized corporate training, specialized technical workshops, or professional certification preparation programs, our solutions help individuals and organizations develop essential capabilities, improve professional performance, adapt to regulatory and technological developments, and achieve long-term professional excellence.

WHY CHOOSE CONSOLIDATED?

At Consolidated, we combine technical expertise, extensive practical experience, and internationally recognized professional standards to deliver high-quality, results-oriented training programs. Our experienced professionals focus on practical applications and real-world business challenges, providing customized learning solutions that strengthen professional competencies, enhance organizational performance, and support continuous professional development.

09

OUR SERVICES

ERP Solutions & Digital Transformation

Smart Technology. Integrated Solutions. Enhanced Business Performance.

SERVICE OVERVIEW

At Consolidated for Auditing & Tax Services, we provide comprehensive Enterprise Resource Planning (ERP) solutions and digital transformation advisory services designed to help organizations modernize their financial operations, streamline business processes, and enhance operational efficiency. By combining our expertise in accounting, financial management, internal controls, and business processes with modern technology solutions, we support organizations in selecting, implementing, and optimizing systems that align with their operational requirements and strategic objectives.

We go beyond traditional accounting systems by helping businesses integrate financial and operational processes, automate routine activities, strengthen internal controls, and improve the accuracy and accessibility of financial information. Whether implementing new ERP solutions, upgrading existing systems, or supporting broader digital transformation initiatives, our tailored approach enables organizations to improve productivity, enhance financial transparency, and make informed decisions through reliable, real-time business information.

OUR SPECIALIZED ERP SOLUTIONS & DIGITAL TRANSFORMATION SERVICES

01 ERP Needs Assessment and System Selection

02 ERP Implementation and Configuration Support

03 Accounting and Financial Management Systems

04 Business Process Automation and Optimization

05 ERP Data Migration and System Integration

06 Financial Reporting, Dashboards, and Business Intelligence

07 ERP Internal Controls and Risk Assessments

08 Digital Transformation Strategy and Advisory

09 ERP System Reviews and Performance Optimization

10 ERP Training, User Support, and System Maintenance

WHY CHOOSE CONSOLIDATED?

At Consolidated, we combine financial expertise, practical business knowledge, and technology-driven solutions to help organizations achieve successful ERP implementation and digital transformation. Our client-focused approach emphasizes system reliability, operational efficiency, strong internal controls, and seamless integration with existing business processes. By delivering tailored solutions and ongoing professional support, we help businesses maximize the value of their technology investments, improve financial reporting, and achieve sustainable operational growth.
