CORPORATE BACKGROUND

Who We Are & Our Legacy

Consolidated for Auditing and Tax Consultation was established on 26 February 2015 in the Hashemite Kingdom of Jordan. We operate as a distinguished licensed entity specializing in statutory auditing, corporate tax advisory, complex financial consultations, and executive vocational training.

Elite Professional Caliber
Staffed by seasoned auditors and advisors with international certifications.

Broad Institutional Scope
Serving public corporations, private enterprises, NGOs, and high-net-worth entities.

Regulatory & Standards Compliance
Strict alignment with IFRS, ISA, Jordanian Tax Codes, and international frameworks.

26 Feb 2015

Established in Amman, Jordan

Founded with a resolute commitment to raise regional audit rigor and provide enterprise leaders with dependable financial clarity in an increasingly volatile regulatory ecosystem.

LOCATION

Al Nahda Complex, Jubayr Bin Mut'em Street, Amman – Jordan

STRATEGIC TRAJECTORY

Our Vision & Mission

Our Vision

To be the **pioneers and final reference point** in external auditing, tax advisory, financial consultation, and professional vocational training services—both locally within Jordan and across the wider regional landscape.

STRATEGIC GOAL - REGIONAL BENCHMARK

Our Mission

To deliver uncompromisingly **high-quality and transparent professional services** to our clients, cultivated alongside robust personal and professional partnerships that empower them to achieve sustainable commercial expansion and operational resilience.

VALUE CREATION - PARTNERSHIP DRIVEN

OPERATING PRINCIPLES

Our Foundational Core Values

Our values are deeply embedded in the execution methodology we deploy across all client mandates, our multidisciplinary teams, and regulatory stakeholders:

Integrity & Honesty

Our primary cornerstone. We maintain total transparency, ethical steadfastness, and forthright counsel with clients on both professional and interpersonal dimensions.

Independence & Objectivity

Unbiased evaluation and due professional care. We proactively identify and neutralize any potential conflicts of interest to guarantee impartial, rigorous analysis.

Quality & Excellence

We empower and retain highly certified specialists to continuously elevate service benchmarks, ensuring distinguished outputs that exceed client expectations.

Commitment & Discretion

Absolute preservation of corporate confidentiality. No proprietary transaction data or commercial intelligence is ever disclosed to unauthorized external entities.

CORE ASSURANCE CAPABILITIES

Audit & Tax Governance

External Audit & Review

We rigorously apply **International Standards on Auditing (ISA)** and International Standards on Review during engagements. We issue formal independent opinions on historical financial statements in strict compliance with **IFRS**.

ISA COMPLIANCE | IFRS REPORTING

Internal Audit & Controls

We evaluate internal control mechanisms using the globally recognized **COSO Framework**. We assess organizational risk, regulatory adherence, and operational performance to fortify corporate governance.

COSO FRAMEWORK | RISK APPRAISAL

Strategic Tax Advisory

Comprehensive income and sales tax advisory for corporations and individuals. We guarantee complete statutory compliance under Jordanian Tax laws while executing optimal tax planning strategies to minimize liabilities legally.

SALES & INCOME TAX | TAX PLANNING

ADVISORY PRACTICE

Financial Consultation

A complete suite of strategic corporate finance consultations supporting enterprise decision-makers across commercial, industrial, and non-profit sectors:

Feasibility Studies & Business Plans

Market viability assessments, capital expenditure modeling, and investment roadmaps.

Enterprise & Business Valuation

DCF, asset-based, and market multiple valuation methodologies for acquisitions and equity.

Financial Statements Compilation

Consolidation and structural presentation of historical and projected balance sheets.

Master Budgets & Variance Analysis

Operational cash flow management, variance reconciliation, and financial forecasting.

Payroll & Social Security Administration

End-to-end payroll processing, tax deductions, and social security compliance.

Internal Financial Policies & SOPs

Standard operating procedure design for treasury, procurement, and managerial control.

Due Diligence & Agreed-Up Procedures (AUP)

Independent forensic due diligence, transactional risk appraisal, and customized agreed-upon verification protocols.

AUXILIARY SOLUTIONS

Specialized Operational Support

Vocational Training

Specialized training programs designed for accountants, financial analysts, and corporate managers. Providing hands-on preparation for American professional certifications (CPA, CMA, CIA) and advanced financial management.

Companies Control Dept. Services

Comprehensive support for company establishment, mergers, capital adjustments, official liquidation, and annual filing of audited financial statements with the Ministry of Industry and Trade.

Government Transactions

Seamless management of bureaucratic transactions with Greater Amman Municipality, the Social Security Corporation, the Ministry of Labour, and related licensing authorities.
